[By Xella] December 3, 2017 I have been reviewing this game for a few days now. I still can't believe that I'm so in-depth with this game. To be frank, there's nothing bad about this game. If you have a bit of taste when it comes to RPG games, I'm sure you'll love to play this. The game is in English, Japanese, Korean and it's Easy to control as well. GRAPHICS / SOUND The graphics are pretty decent. It's not HD but I can't tell if it's about because its on mobile or just because of the screen. The music is great. I personally love the theme of the game. It's catchy and it fits with the game.

GAMEPLAY / CONTROLS This is the best part of this game. The controls are pretty easy to use. You tap anywhere on the screen and you'll do something. This way, I can't really find a bad point on this game.

MULTIPLAYER I'm pretty excited because I've been looking for something like this for a while. CONCLUSION

If you want something short and sweet, this game will fit your needs. It has a pretty good game-play and a good plot. Maybe, you think this game is a bad one because it's on mobile but don't count it out. I'm sure the developers will fix it and make it better as time goes by. This is by far a good game. Please understand that I'm still really enjoying the game so far but I just can't say anything good about it. I love this game so much but I couldn't tell if it was worth the \$4.99. I've reached the point that if this game is okay, I'm in depression. Seriously. The story is cool. No saying too much, it' bff6bb2d33

[HOW TO PLAY] Tarnished is a fantasy action RPG similar to the Baldeo Classic, which was released by the game developers, Overworks. In Tarnished, you can transfer the action from Baldeo Classic to the one of Tarnished. All the contents in the game are also present in Baldeo Classic. In Baldeo Classic, you will be able to choose the same character as the Tarnished game. You can perform the following actions in both Baldeo Classic and Tarnished: - Combat against monsters and other users, and defeat monsters using different weapons, - Combat against monsters with the help of other characters, - Craft items to use during battle and exploration, - Discover a new character by leveling up, and carry out an adventure, - You can freely change the appearance of your character, by equipping different armor, weapons, and magic, and each character will have their own personalities. The Tarnished RPG game is composed of a large number of scenarios and monsters to create a visual and sound world that is different from Baldeo Classic. The action sequences can be performed by inputting the commands via touch screen, similar to Baldeo Classic. You will enjoy the immense world of Tarnished in which you can freely explore and find hidden places and mysteries. The game includes an online feature that loosely connects you to others,

and you can play with them in the Lands Between.

AboutThis game is an action RPG that features the theme of taking revenge and vengeance for the loss of the king of Knights' land in the Lands Between. Using a sword and a shield, you can attack the enemies and ally them together for battle. Why a great sword is necessary for playing ELDEN RING game? While passing through the Lands Between, you will have to fight with the forces of the evil organization. During the fight, the Dark Knight will go through

strict and complicated password encryption code from the second to the eighth level. This is a game that demands great skills, and therefore, it is necessary to choose a great sword. There are various kinds of swords; for example, a one-handed sword and a two-handed sword. The two-handed sword has higher defense strength and range and is more convenient for swinging. How to obtain the weapons and magic you need to take on your enemies and finally face the Darkness? You are guiding the Lord of the Elden Ring Ealden, who is the strongest general in the world. You cannot go out alone. Before you begin your journey, your village was attacked by the enemy forces, so you want to save your village. You need to find an important item, the Seeker's Coin. While exploring the Underworld, you can find items that can be equipped to increase the abilities of your character. The item carries a great power
