Visa requirements for Polish citizens for entering Italy Visa requirements for Polish citizens for entering Italy, as of 5 April 2019, are the rules and regulations that foreign nationals (or their respective governments) need to follow to enter Italy (or other countries). Polish citizens (as well as other citizens of the countries which have a mutually recognized visa-free regime with Italy) may enter and stay in Italy for up to 90 days (extendable for more days in case of emergency, employment or business). Thirty-six specialists in enzyme kinetic investigation (SKI) from Australia, Great Britain, Canada, and the USA (12 each from these countries) received questionnaire mailings, responding to questions concerning their attitudes toward SKI and a list of 138 enzymes. Although the responses were consistent with expectations, they were not completely uniform; however, a number of trends were revealed. Considerable interest was expressed in modifying SKI techniques to suit specific purposes. Nevertheless, many respondents (more than 75% in all countries except Great Britain) were satisfied with the existing techniques. Equilibrium measurements were a preferred method for rapid determination of inhibitor constants. Assays were frequently carried out manually, but in each country more than 50% of respondents used automatic techniques. After their own work, the respondents most commonly provided data for others (40-50%). However, fewer than 30% of those in the USA and Canada used published SKI in the last year, and the use of commercial catalogues was reported by a slightly greater 6d1f23a050
