please select the product you are looking for to begin downloading. instruction books are in english, francais, espanol, deutsch, nederlands, dansk, italiano, suomi, turkce, svenska,, norsk,, cestina, magyar, portugues, slovincina, romana, polski,, and. each year, students with varying cultural, religious and socio-economic backgrounds study at the same french universities. by exploring the diverse experiences and viewpoints of each group, the course aims to encourage a better understanding of france and its institutions, and to encourage students to contribute to the making of france. the city of strasbourg, in the eastern part of france, is a perfect example of how jumelage can bring people together. for centuries, strasbourg and its sister city toulouse, to the north, have been linked in business and culture through a strong interdependence. during the french revolution,

---

strasbourg fell to the rhine, was under napoleonean rule, then became part of the third reich, and was liberated by the allies during the second world war. in the years that followed, strasbourg became a major metropolis and developed a strong international reputation. the city is also a symbol of the recovery after the second world war, with its reconstruction and the construction of the european parliament. strasbourg is also a great example of the jumelage that can be achieved through the promotion of cultural exchanges, the encouragement of local industries, and the preservation of heritage sites. in this section, we propose a selection of films by french and african directors in order to offer a vision of the city and to encourage this jumelage. 5ec8ef588b
